

Ballarat Orphanage Memorial Service

4.15pm, 5th February 2008

Celebrant, Joan Duffy

Ballarat Orphanage Grave site

Ballarat New Cemetery, Private F Section

Child and Family Services would like to Thank You
for attending this memorial service.

This memorial is for children formerly residing at the Ballarat Orphanage who are now resting in this grave site. For various reasons these Children were unable to live with their own families and were given asylum at the Ballarat Orphanage.

We at Child and Family Services would like to acknowledge these children at this Memorial today. Their names will now be displayed permanently on a memorial plaque at the grave site.

These children succumbed to childhood diseases of the day, and accidents. Thanks to modern science, many of these diseases are now preventable.

I'd like the memory of me
To be a happy one
I'd like to leave an after glow
Of smiles when life is done
I'd like to leave an echo
Whispering softly down the ways
Of happy times and laughing times
And bright and sunny days
I'd like the tears of those who grieve
To dry before the sun
Of happy memories that I leave when life is done
