Details

The Catholic Children's Homes Enquiry Service was set up in 1994 by Centacare Adoptions Agency (which later became CatholicCare Adoption Services) to provide a centralised information, counselling and referral service for those people previously in Homes or looking for relatives who had been in a Catholic Children's Home.

Since the 1800s, the Catholic Church has cared for many dependent children in a wide variety of homes. These homes, while auspiced under the Catholic Church, were conducted by a number of different Catholic Orders. As the homes closed, the records were moved making it difficult for ex-residents to locate information.

Centacare saw the need to establish a central register of the names of all the people who were residents of Catholic Children's Homes in the 1990s.

In 2011 Centacare changed its name to CatholicCare, although most internal structures remained the same. The work of CatholicCare staff, and the 2013 Records Access Documentation Project grant funded through Find & Connect, have enabled most of this indexing to be completed.

In 2018, responsibility for the Catholic Children's Homes Enquiry Service was transferred to [Family Spirit](#), the new organisation created out of the merger of CatholicCare Sydney adoption services and Marist180.
