Wiltja Hostel opened in November 1956 at 17 East Avenue Millswood. Many girls remained at the Hostel during their first year of work after leaving secondary school.

National Redress Scheme for people who have experienced institutional child sexual abuse

The South Australian government has agreed to be a funder of last resort for this institution. This means that although the institution is now defunct, it is participating in the National Redress Scheme, and the government has agreed to pay the institution's share of costs of providing redress to a person (as long as the government is found to be equally responsible for the abuse a person experienced).
