

National Archives of Australia – Perth Office

1998 –

URL: <https://www.naa.gov.au/visit-us/western-australia>

Details

The National Archives of Australia – Perth Office is located in East Victoria Park. It holds a collection of records including items on Commonwealth government activities such as migration and Aboriginal affairs. The majority of records are from after 1901 but there are some records from before that date. The collection includes records related to child welfare.
