

Deaf Children Australia

2004 –

URL: <https://www.deafchildrenaustralia.org.au/>

Details

Deaf Children Australia is a national organisation advocating and providing services and resources for deaf children and their families in Australia. It was formed as a national body in 2004, but had previously operated as the management body for the Victorian College for the Deaf. Deaf Children Australia hold a collection of records and heritage items relating to the Victorian College for the Deaf and its predecessors, the Victorian School for Deaf Children and the Victorian Deaf and Dumb Institution.
