

Department of Families, Seniors, Disability Services and Child Safety, State Government of Queensland

2024 –

URL: <https://www.dcssds.qld.gov.au/about-us/our-department/right-information>

Details

The Department of Families, Seniors, Disability Services and Child Safety was created following a state election in November 2024.

The Department holds records relevant to people who grew up in State institutions or as wards of the State and operates the Time in Care Information Access Service (TICIAS) through Right to Information.

The TICIAS enables people who have been in Queensland institutions to receive a Time in Care report which includes:

- information about why you came into care
- your placement history
- information about milestones
- education and medical information
- family information
- other relevant information about your family and your experiences in out of home care

The Time in Care Report may also include other documents such as birth certificate, school reports, medical reports, awards and photographs.

The Department's Right to Information service also has authorisation to provide access to youth justice records.
